

**AGM NOTICE**

Dear Member,

Thank you for your continued membership of the Wilderness Society. As members, we provide vital financial support for urgent environmental campaigns. And the more members, the stronger our voice for nature.

As a member, you have a say in the direction and governance of the Wilderness Society. This includes participating in our Annual General Meetings, which I encourage you to attend. These democratic forums are a vital part of the Wilderness Society and I would welcome your contribution. It's also a chance for you to hear from our campaigners about our successes and challenges over the last twelve months.

As you may know, the Wilderness Society is a federated organisation, made up of separately incorporated entities. Below is an invitation to the AGM of the national membership body – The Wilderness Society Inc. And please see overleaf for an invitation to the Annual General Meeting of your state organisation.

*The Wilderness Society Inc* is the national organisation responsible for the national campaigns and national operations of the Society. You are cordially invited to attend the Wilderness Society Inc AGM for the 2010/11 financial year.
