

**Position**

Pamphlet Distribution

**Description**

The position involves distributing pamphlets and posters promoting the areas we are working to protect, and upcoming events.

This position also involves some coordination, in keeping track of what and where materials have been distributed. As it involves travel across Perth, the volunteer should be comfortable using public transport, and have a bicycle or another form of transport.

We would like pamphlets dropped off at libraries, cafes and supportive shops in suburbs across Perth. A list of areas, and maps will be provided.

**Hours required**

4 hours per week (negotiable), must be available during business hours

**Time frame**

3 month minimum commitment

**Working with**

Renae Williams, Community Engagement Officer
