

PUBLIC MEETING INVITATION

Organised by the Victorian National Parks Association

Cattle don't belong in national parks!

WHEN: 6 April 2011, 7pm start
WHERE: Box Hill Town Hall

Authorised by Matt Ruchel, VNPA, Carlton

Stop alpine grazing – it's a park not a paddock!

PUBLIC MEETING: CATTLE DON'T BELONG IN PARKS

WHY: The Baillieu Government has reintroduced grazing to Victoria's Alpine National Park under the guise of a flawed science project.

Cattle were banned from the park in 2005, now they are back – damaging threatened species, trampling wetlands and spreading weeds.

While this may benefit a few cattlemen it comes at great cost to Victoria's natural heritage. National parks are for nature, not cattle.

SPEAKERS: Environment groups, scientists, politicians and others. Watch our website for regular updates – www.vnpa.org.au.

WHEN: Wednesday, April 6, 2011. Doors open 6.30pm, for a 7pm start.

WHERE: Box Hill Town Hall, in the main hall, 1022 Whitehorse Rd, Box Hill. Melway Reference: Map 47 E9. The town hall is a six minute walk from Box Hill Station (Lilydale and Belgrave lines) or a three minute walk from the last tram stop on Route 109.

BRING: Feel free to bring your waterproof jacket and bushwalking gear to show your support for national parks.

COST: Free. Donations welcome.

MORE INFO: To learn more about alpine cattle grazing visit www.vnpa.org.au, phone us on 03 9347 5188, or email vnpa@vnpa.org.au.
