This document expresses the opinions of The Wilderness Society Limited. It is based on each company's publicly available policies and other relevant documents that were known and available to the authors as of 31 August 2023. This document does not give financial or legal advice. The Wilderness Society acknowledges First Peoples across the continent as the traditional custodians of Country, over which sovereignty was never ceded. We pay our respects to Elders and Ancestors who have cared for Country through millennia and acknowledge the unbroken connections to culture and Country which continue to endure today.
