

Social Media Producer

The Position

The Social Media Producer will work to deliver our audience engagement strategies and create and publish engaging content on core Wilderness Society social media channels —including LinkedIn, Twitter, Facebook and Instagram—to drive strategic communications goals.

This position is responsible for designing, producing, project managing and measuring the effectiveness of organic and paid content across Wilderness Society campaign and fundraising priorities. Collaboration with people across the organisation will be key in producing creative content for our different audience engagement channels.

The role will also proactively identify opportunities to elevate Wilderness Society campaigns and brand by leveraging social conversations, trending topics in the news cycle, external events, and other moments to deepen and grow engagement with key target audiences.

The role will manage paid social campaigns, donation and lead generation activities, and managing the allocated budget across campaigns to deliver targets for key audience demographics and locations.
